(b) whether Government had discussed the issue with States/UTs;

(c) if so, the response received from them;

(d) if not, the reasons therefor; and

(e) the present items under the VAT in each State/UTs?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI S.S. PALANIMANICKAM): (a) to (e) Under Entry 54 of the State List of the Constitution, 'tax on purchase or sale of goods within a State' is a State subject. Thus, the State Sales Tax as well as State VAT (which has been implemented to replace the State Sales Tax) is a State subject. An Empowered Committee of State Finance Ministers (EC) has been constituted to deliberate upon and decide all matters concerning Sales Tax/VAT, including the structure of rates of tax on various commodities. Thus, it is for the EC to decide as to which items are to be brought under VAT and if so, what would be the rates of tax on such items.

The EC has decided to keep Motor Spirits (including Petrol, Diesel and Aviation Turbine Fuel) outside VAT. These items are subject to 20% floor rate of tax (except that the floor rate for Diesel is 12.5% in case of North-Eastern States, Sikkim and J&K). States may levy taxes at rates higher than the floor rates for these items. On the other hand, the EC has decided to bring certain items under VAT. Out of these items, Cooking Gas (LPG), Natural Gas, Naptha, Lubricants, Low Sulphur Heavy Stock (LSHS) and Compressed Natural Gas (CNG) are taxable @ 12.5% under VAT and PDS kerosene is taxable @ 4%. Since it is a State subject, it is entirely for the EC and the State Governments to take a decision in this regard and the Central Government has no proposals on this issue.
